

SIGHTSEEING GEIRANGERFJORD

Download our free audio guide

1. Connect to wifi and scan the QR-code with your smartphone camera to download the 'GuideToGo' App.
2. Follow the instructions on your phone (allow location services).
3. Scan the same code again to download your tour's audio guide from GuideToGo.
4. Choose the version in your preferred language.
5. Once it has downloaded, click 'Start'

- Download before you leave home so you can preview your tour.
- The quiet of the fjord is a big part of the experience for many passengers, so we ask you to use your headset/earbuds while enjoying the guiding.
